

## Media Release

Win your private plane and fly away as a millionaire!

Most people could not imagine owning a plane in their wildest dreams. Well, it is your time now. Angel Flight and the founders of Monarc Global, together with Your Jet Life, are giving away **a private plane and package valued at \$3.47M**; you could be the lucky owner!

There have been plenty of Art Union draws with luxury homes, exotic cars and holiday giveaways, but there has never been a private plane up for grabs. That is all about to change!

Your Jet Life is an organisation giving away two private planes a year to raise awareness for the incredible work Angel Flight and other aviation-focused charities do.

Angel Flight is a charity which coordinates non-emergency flights to assist people living in rural and remote areas to access specialist medical treatment that would otherwise be unavailable to them because of vast distance and high travel costs.

*"All flights are free and may involve travel to medical facilities anywhere in Australia. This is solely funded by generous donations by our supporters and industry partners, and we are excited to be supporting Your Jet Life's campaign to bring visibility to General Aviation and the needs this industry supports, but also raise much needed donations via the Your Jet Life Art Union Lottery to support Angel Flights growth and impact."* – says Marjorie Pagani, Chief Executive Officer / Director of Angel Flights

Royce Crown, founder and CEO of Monarc Global added, *"We are extremely proud to launch this Art Union and support Angel Flight for their incredible work. It also gives an opportunity to everyone to fulfil a dream of winning their own aircraft whilst helping raise awareness of and funds for Angel Flight."*

**Tickets are \$15 each, there are only 500,000 tickets in the Draw**, and ticket sale proceeds will help support Angel Flight Australia's ongoing service to rural and remote communities. The lucky recipient of the Cirrus G6 SR22 private plane will walk away with a total value prize of \$3.47 Million.

The opportunities can be endless if you are the lucky winner of the first Your Jet Life prize. You not only have; full ownership, but you also receive all fuel, maintenance, technology and registration fees covered for one year. Additionally, included in the prize package is the training to obtain a pilot licence.

So fly with friends and family whenever or wherever you would like, alternatively have your side hustle and lease your private plane for corporate and leisure travellers, it's yours to do as you please!
